It is not uncommon for newly promoted teams to make an immediate impact in a higher section . . . the euphoria of the previous season seems to have a snowball effect.

The Football League fixtures computer has certainly seen to it that we get to know some of the new boys to Division Three in double quick time.

After facing Peterborough United last Saturday we have Torquay United here this afternoon and Stockport County away next Friday night — three promoted teams in a row!

Last Saturday down at London Road we should have come away with at least a point.

After the disappointment of a poor display in the Manx Cup final at Wigan a few days earlier, the lads really showed good form against Peterborough.

We had long spells of pressure with Dave Thompson doing particularly well down the right, but found their keeper in good form. Then, just when it looked as though our efforts would produce a deserved point, we lost our discipline and Peterborough pinched a late goal.

That was a real sickener, equally frustrating for the supporters who had made the journey.

I was very disappointed in the way we defended in Tuesday night's Rumbelows Cup tie with Scarborough. With 20 minutes to go we had a 5-2 lead and looked comfortable. Then some crazy defending saw us allow Scarborough back in to the game wth a couple of late goals. It has all made our second leg task so much more difficult next Wednesday but we have a lead to protect and, as such, are still in the driving seat.

Today's opponents won promotion through the play-off system last year and they opened up their new season with a victory last weekend. But I maintain that we have a good sound squad here who can match any team in the section.

It is one thing to say it . . . I accept that. The proof of the pudding is in the playing. We must SHOW that we can be a force and strive for consistency.

Has Preston North End still got what it takes to stand shoulder to shoulder with soccer's elite?

Do the people of Preston still believe and care about the club's future?

Is it time that Preston North End's enormous potential was turned into reality?

After a dozen weeks, more than 200 meetings and countless conversations with people from all walks of local life let me tell you that the answer to all three questions is a resounding YES!

Since taking up duties, one of the main tasks has been to get out there and test the waters, trade some goodwill and seek as much public involvement as possible.

Preston North End is a major part of life in and around this part of Lancashire. It is the biggest single piece of the local jigsaw despite the fact that the last few years have been spent in the lower divisions.

I have always argued that you cannot accurately judge general interest by the number of people who attend matches. Deepdale might well have an average attendance of around 5,500 (based on last season), but there are ten times that many people genuinely interested in the club. Many of them, I believe, are simply looking for an excuse to come back on.

It has been very encouraging indeed to hear people talking in a positive manner about the future of the club.

There have been criticisms, I wouldn't try to deny that, but the passion for Preston North End still burns.

This is a time of uncertainty about the great game; Super Leagues, splits and hints of strike action have taken the shine off what is usually a fresh and invigorating time — the dawn of a new season.

It would be marvellous for Preston North End to turn the corner over the coming months, especially to coincide with Guild Year.

From my viewpoint no stone will be left unturned, but more or less everything hinges on what happens out on the pitch.

Having said that, if you feel able to help in any way or have some ideas of how to increase the public image/ profile of the club then get in touch.

We all have the best interests of Preston North End at heart — in that regard we are Preston United!

If it is bulk and it is in England, Ireland, Scotland or Wales then we are in business

In Conversation with George Berry

GEORGE Berry takes his business deadly serious. His business is football and let no-one underestimate George's determination to succeed.

At a few years past 30, some might say that PNE's new central defender has entered the twilight zone. Don't tell him that to his face! "If you are fit enough you are young enough. I Have looked after my body and general fitness. I don't carry a single ounce of fat and my aim is to show PNE what a bargain they have got."

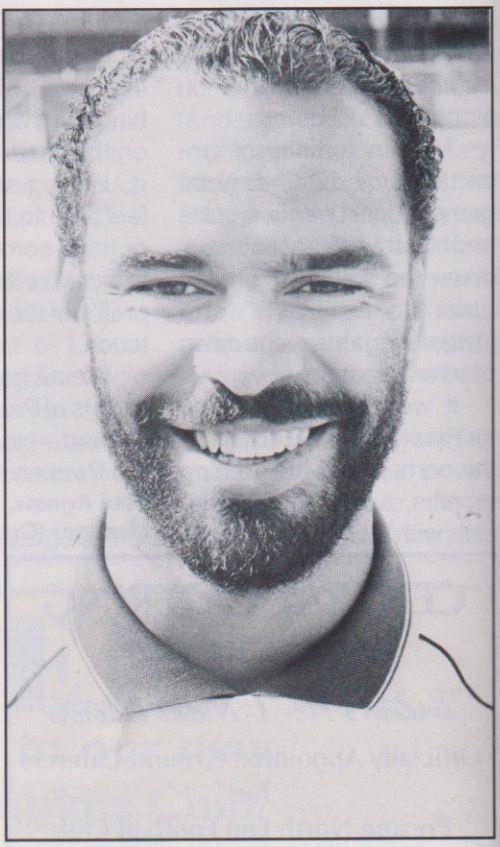
Straight talk. That's Berry's trade mark. He doesn't suffer fools and has come to Deepdale with firm ideas on what is expected. "I have just helped one team to promotion (Peterborough) and now I am here to do the same. I grew up in Blackpool and know all about the tradition and potential of PNE."

A chance meeting with his old Stoke City colleague, Graham Shaw, set the wheels in motion for Berry's move to Deepdale a few weeks ago. A no nonsense defender, who gave sterling service to Wolves and Stoke, George joined Peterborough on a free last season and scored seven goals including the promotion-clincher at Chesterfield.

"It was ironic that my first League game for Preston should be down there. But this is a much, much bigger club and it is already apparent to me just how much talent there is on the playing staff."

George, who lives with his wife, Maureen, and three young children down in the Potteries, travels in with Shawie and Ronnie Jepson.

"This is a dream move for me and I don't just want to appear clever. I am indebted to



North End for giving me the chance and they will get 100 per cent from me in return.

"I can't play any other way. This is a great club with a smashing stadium . I would love to see it packed to capacity before the end of the season.

"We have to harness our talents and be ultra determined as a unit. Pretty-pretty play is all well and good but the League season is a slog and you have to be able to deal with it physically.

"I am happy to be here ... but I mean business."

Refreshing the Memory with Mike Payne

22.8.70 Torquay 3 Preston 1 - Division 3

Torquay had a new goalkeeper in Mike Mahoney, on loan from Bristol City, for this game and despite Gerry Ingram giving Preston the lead the home side hit back well with goals from John Rudge, Cliff Jackson, their new £13,000 signing from Crystal Palace and Tommy Mitchinson.

9.9.70 Torquay 1 Preston 3 - League Cup

Only three weeks later Preston exacted revenge for their league defeat by winning their League cup-tie at Plainmoor. Gerry Ingram scored two of the goals but the highlight was Alan Spavin's goal. A free-kick on the edge of the box was curled straight in by "Spav", a classic goal.

19.12.70 Preston 2 Torquay 2 - Division 3

The ITV Cameras were at this game for the Sunday's "World of Soccer" programme and the first thing that they recorded was a dreadful mistake by Alan Kelly (Senior of course!). He left a soft shot by Micky Cave slip through his grasp. But eventually the match ended all square with George Lyall scoring a memorable second equaliser for Preston. Gerry Ingram passed to Bobby Ham and the little inside-forward laid the ball into Lyall's path and CRASH, the ball flew past goalkeeper Andy Donnelly. Shortly afterwards another Lyall cracker hit the post.

7.9.85 Preston 4 Torquay 0 - Division 4

Two goals each from Gary Brazil and substitute Nigel Greenwood settled this match and Brazil's second goal was a bit special. He picked up the ball some 50 yards from goal, ran forward outpacing two defenders, before hitting a tremendous shot into the net. The win set up high hopes for the season but in their next game North End were thrashed 6-0 at Northampton and everything went downhill from then on, ending in the humiliation of having to apply to the League for re-election.

Gary Brazil 2 goals for PNE in 1985

1.2.86 Torquay 1 Preston 0 –Division 4

Only one side finished below Preston that season and that, ironically, was Torquay, so when North End lost this match it was the ultimate insult and probably the lowest point in the Club's history. Paul Compton's goal settled a poor game and the Preston Manager, Brian Kidd, had these words for the two hundred or so fans who made the long journey to Devon. He said, "Our fans deserve much, much better". Here, here to that!

27.9.86 Preston 1 Torquay 1 - Division 4

Older supporters much have smiled at Paul Agnew's quote in his match report on this game. He commented that the match was played in front of "Another superb gate of 5,053". Those fans brought up on the 50's and 60's crowds must have wondered where football had taken them but in the context of North End's current position, Paul's comments were spot-on. John Impey and Steve Phillips of Torquay were both booked in this game and that made their Club's total 19 bookings to date and it was only September! Gerry Nardiello's equaliser, deserved though it was, came courtesy of some mis-handling by Preston's goalkeeper David Brown.

21.2.87 Torquay 0 Preston 2 - Division 4

The return match in February 1987 came at a time when Torquay were enjoying a successful mini-run, but that all ended thanks mainly to two thirty eight year olds! Frank Worthington, on his debut and Les Chapman showed all their skill and experience to run the game. Gary Brazil and Alex Jones scored the goals in the 2-0 win but in truth it was a victory for Dad's Army.

TORQUAY UNITED F.C.

GARETH HOWELLS aged 21. Signed from Tottenham Hotspur at the beginning of last season after a short spell on loan. Younger brother of Spurs Midfielder David. Gareth capped a marvellous season in which he missed only one game by making history at Wembley during our successful Fourth Division Play Off Final v. Blackpool, where he not only saved a penalty but also scored the winner in the shoot-out.

IAN GANDY aged 18. Signed at the end of last season from Liverpool on his completion of a 2 year Y.T.S.

MATTHEW ELLIOTT aged 22. Sony Player of the Year and runner-up in the Supporters Player of the Year. Matthew has played a big part in our defence over the last two seasons since he signed from Charlton Athletic where he failed to make an impact. He missed only one game last season.

PHIL LLOYD aged 26. Phil who is from Hemsworth in Yorkshire, started his career with Middlesborough and moved in turn to Barnsley and Darlington for whom he made exactly 150 appearances before signing for us on a free transfer in 1987. Phil was having another outstanding season when he received an unfortunate injury at Maidstone in December 1990. Hopefully Phil will be fit to make his comeback in December 1991.

PAUL HOLMES aged 23. Paul is another of our Yorkshire born players. He was signed from Doncaster Rovers for whom he made 52 appearances in 1988. Paul has attracted the attention of some bigger Clubs following impressive performances over the last three seasons.

JOHN UZZELL aged 32. John was born in Plymouth and started as an apprentice at Plymouth Argyle before signing a full contract with them in 1977. He spent 12 years at Plymouth before signing for us two years ago. John's professionalism and enthusiasm for the game has been a real benefit to the Team. John missed only 2 games last season.

WES SAUNDERS aged 28. Wes signed at the beginning of last season from Scottish Team Dundee. Previously with Newcastle, Carlisle and Bradford on loan. Wes is from Sunderland and played a big part in our defence last season, culminating in an outstanding performance at Wembley in the Play-Off Final, as acting Captain.

SEAN JOYCE aged 24. Sean is a former Doncaster Rovers player. He signed for Torquay on a free transfer in 1988. Sean received a bad injury in November 1990 which kept him out of the game until the beginning of April, and he is now back to his best, a tough tackling Midfielder and a very important part of our Team.

WAYNE DOBBINS aged 23. Signed during the close season from West Brom after impressing Manager John Impey during trial games.

NEIL SANG aged 19. Signed during the summer from Everton after some impressive performances during his trial period.

SCOTT COLCOLMBE aged 19. Born in Birmingham. has recently signed from West Brom after some very impressive trial matches.

MARK LORAM aged 24. Mark was born in Brixham and is in his second spell with the Club after having spent a short time with First Division Q.P.R. He is by far the most skilled Player in our Squad, although being diagnosed diabetic.

PAUL SMITH aged 24. Paul is from London and was signed from Bristol Rovers in March 1989. He has previously played for Arsenal and Brentford. Paul who is a fast and exciting winger, has become a firm favourite with the Plainmoor crowd. He was plagued by injury during last season but hopefully he should regain his place in the First Team and start impressing everyone with his dazzling runs down the wing.

PAUL HALL aged 19. Paul is in his second year as a Professional after having spent two years with us as a YTS Trainee. Paul has impressed everyone with his skill and running and is expected to have a long and successful career in football.

ANDY ROWLAND aged 26. Signed at the end of last season from Southampton. Andy was born in Taunton, went to school and played local football in Torquay.

MARK DOBIE aged 27. Mark has recently signed from Cambridge after impressing Manager John Impey in recent trialist games.

Tittle Tackle

The Preston Schools Football Association kicks off 1991-92 on the back of its most successful season for more than 50 years.

The Primary section finished the 1990/91 season a creditable runners-up in the Lancashire S.F.A. Primary league and enjoyed a tremendous week at the E.S.F.A. festival over Easter in the North East.

At under-19 level Preston College convincingly won the L.S.F.A. Open Cup for the first time since assuming its new name and in so doing fittingly welcomed its new P.E. lecturer Mr Geoff Snailham, an energetic and experienced sportsman who will without doubt revolutionise under-19 sport in this area in the years to come.

The under-15 team knocked out the mighty Liverpool in the E.S.F.A. Trophy before ignominiously departing the competition at the next hurdle, and provided two players for the Northern Counties Competition Runners-up, Lancashire, in the persons of Paul Linford (Our Lady's) and Andrew Banks (Broughton). These two plus Sam Whittle (St. Cecilia's) are associate schoolboy players with P.N.E..

Corpus Christi won the L.S.F.A. Open under-14 cup and formed the backbone of the successful Preston under-14 team which lost in the final of the Divisional Woodward cup 2-3 to Liverpool and then took revenge on Hyndburn a week later at Deepdale in the L.S.F.A. Wrennal cup final with a record 11-1 win. Tommy Taylor (Corpus Christi) (5), Lee Arnold (Moorbrook) (3), Leroy Garrett (Moorbrook) (1) - all signed by P.N.E. - Lloyd Costello (St. Cecilia's) and Patrick Lawton (Our Lady's) scored the goals.

Captain of the team Chris Borwick, Paul McMenemy, Kevin Kilbane, (all Corpus Christi) and David Poole (Our Lady's) are also on North End's books and Tommy, Lee, Leroy, Lloyd and Chris have all represented Lancashire over the last few months.

Programme a Hobby

COLLECTING FOOTBALL PROGRAMMES

Part 2 of a series by John Litster, Editor of "Programme Monthly" magazine

HOW TO START YOUR COLLECTION

One of the fascinating aspects of programme collecting is that no two collections are alike - each is unique to the individual collector, reflecting his or her footballing influences, matches attended, and areas of special interest. Another feature of the hobby is that vast sums of money need not be spent - collecting football programmes can be tailored by anyone's age or budget.

A programme collection can be of any size - it can amount to tens of thousands of programmes accumulated over many years, or it can comprise this week's and next week's issues on the way towards building a collection. If a journey of thousand miles starts with a single step, then a collection to be proud of starts with a single issue.

The obvious starting point is to retain programmes from matches attended. These will assume a great importance in years to come, because as you review the hundreds or thousands of programmes, you can relate special personal memories to programmes of matches attended. Friends and relatives will probably attend other matches, so why not ask them to buy an extra programme for you?

Amongst friends and schoolmates, there will inevitably be others who share an interest in football and programmes. Swapping duplicated issues is another good way of adding to a small collection, and this can be done by obtaining more than one programme from the matches attended, in order to exchange surplus copies for other match programmes. Exchanging a programme in your collection for another issue with a fellow collector can help towards building a "set" or speciality of programmes in your collection - a subject we will discuss in the next article.

**Programme Monthly is available from 14 Raith Crescent, Kirkaldy, Fife, KY2 5NN, priced £1.30 plus 30p postage.*

MAKE A DATE

In the Autoglass Trophy (formerly the Leyland DAF Cup) we have been drawn in the same group as Rochdale and Bolton Wanderers. We will play Rochdale at Spotland on Tuesday October 22 (7.30pm) and Bolton here at Deepdale on Tuesday November 19 (7.30pm).

We have also drawn Rochdale in the two youth knockout competitions....away in the FA Youth Cup preliminary round, Thursday September 5 (7.30pm) and at home in the LFA Youth Cup second round sometime in November - date to be announced later.

RESERVE DATE

Our opening home game in the Pontin's League will be staged next Thursday night (29th) when PNE reserves entertain Middlesbrough (7pm).

PENALTY PRIZE

BOGIE'S BOW

Ian Bogie, whose transfer from PNE to Millwall will go before a tribunal, made his bow for the Lions in a 1-0 defeat at Middlesbrough last Saturday. Bogie came on as a substitute 10 minutes from time. Other ex-North Enders involved in opening day games included: Don O'Riordan (Notts County v Man United), Nigel Jemson (Forest v Everton), Geoff Twentyman (Bristol Rovers v Ipswich), Ian Stevens (Bury v Birmingham), Tony Philliskirk (Bolton v Huddersfield), Tony Ellis (Stoke v Bradford City), Gary Brazil (Fulham v Chester), David Miller and Simon Jeffels (Carlisle v Doncaster), Alex Jones (Rochdale v York), Steve Harper (Burnley v Rotherham) and Greg Fee (Mansfield v Scarborough)

MASCOT MARK

Today's matchday mascot is seven-year-old Mark Andrew Jeffrey. Mark lives at Greengate, Fulwood, Preston and attends St Anthony's school. He enjoys football and swimming and his favourite players are Graham Shaw and Simon Farnworth.

WELL SUITED

Our new-style shellsuit looks a real winner. Early visitors to the PNE Club shop over on Deepdale Road have been favourably impressed. And the price is attractive too.... at £39.50 (junior) and £44.50 (senior) we're told that we are up to £30 cheaper than other clubs. You can rely on PNE for value!

SPEAK UP

Have you any views on topics relevant to PNE? If so, let us know. We don't mind criticism, providing it is constructive, so get in touch via the: Programme Editor, c/, PNE FC, 308 Deepdale Road, Preston, PR1 6QB

COMING UP

For next Wednesday's Rumbelows Cup first round second leg tie at Scarborough, supporters will find the McCain Stadium to the south of the city in Edgehill Road. There is plenty of street parking and the ticket prices are: stand £7.50 and terrace £5 (no reductions). On Friday August 30 we have a third division fixture at Stockport. Prices are: £7.50 and £5 (stand) and £5 (terrace, uncovered).

EVEN STEPHEN

Honours are even when it comes to previous Football League games with today's visitors Torquay United. We have met six times; two wins, two draws and two defeats. Our best win came at Deepdale in 1985-86 when we triumphed 4-0 while our heaviest defeat was a 3-1 reverse in 1970-71. We have a League Cup win under our belts, 3-1 at Torquay in 1970-71.

On this day ..

The following games were played by PNE on this date:

1885
Friendly game at Wrexham
Won 3-0
1949
League game versus Grimsby Town
Won 2-0
1955
League game versus Luton Town
Won 2-1
1957
League game at Nottingham Forest
Lost 1-2
1963
League game at Leyton Orient
Drew 2-2
1968
League game at Cardiff City
Lost 0-1
1974
League game at Watford
Lost 2-3

The game against Grimsby Town back in 1949 was the game in which Willie Cunningham made his PNE League debut. I wonder how many of the 30,935 spectators that day thought that Willie would go on to make 440 league appearances for the club? Just for the record a penalty goal from Bobby Langton and a goal from Tom Finney made it a debut to remember for Willie

This afternoon's featured programme is for a floodlit friendly game against Scottish opponents, Falkirk, who were then in the old Scottish League "A". As normal, only a single card was issued for the game, giving just the briefest of details. Playing at centre-forward for Preston was James Kelly who had been signed from Peterborough. For the first 25 minutes of the game Falkirk had the edge on North End. Their approach play was accurate and vigorous and they were two goals up before North End came into the game at all. The first goal, scored after 10 minutes, followed a sliced clearance by Willie Cunningham which let O'Hara in to score with a powerful shot. Twenty-five minutes later, O'Hara the visitors' sharp shooting outside left was quick to pounce onto a back pass and consequently gave the Scots a two goal lead.

NEXT HOME MATCH:

Saturday, 22nd October, 1955 Kick-off 3.0 p.m.

Preston North End v. Chelsea

Five minutes before the interval North End came into the picture with two well taken headers within a 2 minute spell by Kelly, enabling Preston to go in level at half-time.

It only took Kelly 7 minutes of the second-half to complete his hat trick to make it 3-2 for P.N.E.. From then onwards it was all North End as they were to dominate the rest of the game. But for their inaccurate shooting North End apparently would have won by a much more handsome victory.

For some reason, James Kelly never made his league debut for Preston. He eventually signed for Swindon Town in 1958, scoring 14 goals for them in 30 games before moving on to Walsall the following season.
